Outcome Report

Students and staff of Government Degree College, Narasannapeta conducted several activities during 2018-19. Swatchha Pakhwada activities have been conducted to maintain clean & green in college premises. The college administration has given utmost importance to keep the ambience clean & green. In order to create awareness regarding open defecation (ODF), our college has adopted two villages viz., Tamarapalli and Komarathi. People in these villages realized the importance of using toilets at home. As part of save village programme students are educated regarding the prevailing superstitions in the neighbouring villages.

Blood donation camp was conducted in our college in association with GEMS Hospital, Ragolu, Srikakulam (Dt). Around 62 students came forward and donated their blood to the needy people.

As part of Vanam – Manam programme 72 saplings were planted in our college premises. Their care has been taken by the students and staff of our college. Our college staff and students participated in the Kishori Vikasam Phase -2 programme to create awareness among the adolescent students studying in schools.

Voters awareness rally was conducted on January 25th , 2019. Staff and students conducted rally in the town and joined other college students and form human chain and raised slogans.

All these activities have done by our college staff and students with bubbling enthusiasm and energy. Our college NSS-I & II, NCC and other clubs have been actively engaged in these activities.
